TR22 Series

tomrossau.com

Description

The shape of the TR22 was inspired by the organic twist of the birch ribbons in the TR7 with a similar silhouette. Tom wanted to create a sculptural pendant with a large opening at the base. The TR22 is ideal over the dining table, and will provide good, functional lighting. TR22 comes in two materials, PC-Nonwoven and birch veneer. PC-Nonwoven provides a bright illumination in a pleasant white tone. The birch allows for a warmer atmosphere.

Specifications

Dimensions
ø42 x H30 cm

Materials:
Birch

Colours:
Natural

Technical

Recommended light source:
1 x LED E27 (A60) - Included

Recommended power:
3-6W (max 15W)

Cord length:
300 cm

Switch:
No

Certifications

This product complies with the harmonised standard of the EU.

LED

IP20
