

## Specification Sheet

# Storage Box

Storage Box is a beautiful storage box ideal for the living room, the bedroom or the kids room. Any room, really. It is minimalist and simple – cut down to its core function: hide away those things you often use, but don't want to be laying around. The lid easily slides into the box and is crafted from oak veneer making it light to insert and remove.

Use the frames as handles to effortlessly move the boxes around or stack it to optimize space. It is flat-packed and easy to ship. Sold individually or in sets of three.

The Storage box is beautiful as a stand alone piece of furniture and also fits perfectly in the MOEBE Shelving System.
