Mullion Floor Light

An iconic design classic. The Mullion Floor Light naturally nods to Cornwall's industrial heritage, with simple striking effect.

A single arching curve of steam bent oak rises from an alluring, circular base. An exposed grey flex tracing its silhouette. Suspended underneath, our minimalist, coiling Helix pendant takes shape. Use the Mullion to illuminate specific areas, to layer light or add depth to your interior.

Switch on. Sit back. Let the Mullion make light work of transforming your space.
