

High Stool, H 69 cm

FSC® certified wood or upcycled aluminum

The High Stool is designed by the Danish architect duo Space Copenhagen and is regarded as a *New Danish Classic*. With its organic yet minimalist style, this stool is suitable for both residential and commercial use. The High Stool Collection is made from solid FSC® certified wood or upcycled aluminum waste, supporting several of UN's sustainable development goals. Durable for both private and public use.
