Winston Daybed

Designed by Eva Harlou

Thank you for purchasing the Winston Daybed

Winston Daybed

FSC® certified wood & sustainable grown rattan

Designed by

Eva Harlou

Dimensions

L 195 cm W 80 cm H 35.5 cm /
L 76.8" W 31.5" H 14"

Weight

15 kg / 33 lbs

Finish

Matt Lacquered

Materials

Solid oak wood, FSC® certified,
sustainable grown rattan

GOTS certified cushion made
from 50 % cotton / 50 % jute

Gliders

Hard plastic gliders installed as
standard

Maintenance guide

Lacquered wood

Lacquered wood offers a stronger surface than oiling and is also effective when coloured surfaces are desired. Compared to natural or oiled wood, lacquered and stained wood is easier to clean and requires very little maintenance.

For daily care it is recommended to dust the furniture with a soft cloth. Lacquered and stained wood can be cleaned with a soft cloth wrung in a mild solution of lukewarm water and a universal cleaning detergent. Always follow the wood grains and always dry with a soft dry cloth immediately after cleaning.

Avoid use of abrasive cleaning agents and aggressive cleaning detergents as this will damage the surface of the lacquered or stained wood. Avoid placing wooden furniture in direct sunlight, excessive heat or humidity.

Textile

Regular cleaning is important in order to keep the upholstery textile looking its best and to prolong its life. Dust and dirt wear down the textile and also reduce its fire-retardant properties.

Vacuum frequently, ideally every week, at half power where appropriate. In case of stains; If you act quickly, it is not difficult to remove spills and prevent stains from forming. However, we cannot guarantee complete stain removal. First, scrape off any liquids or hardened residues with a spoon or a scoop before you proceed. Any loose particles must be vacuum cleaned before further cleaning. Liquids must be soaked up with an absorbent napkin or cloth. Remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in warm water.

Why FSC®?

All wood in our collection is labeled and produced in FSC® certified wood. When producing furniture from FSC® certified wood we support well-managed forestry. In an FSC-certified forest no more trees than the forest can reproduce are felled, so the exploitation of nature is avoided. FSC ensures fair wages and a fair trading price and gives full traceability. We can trace a chair back to the forest where the tree was planted.
