

Rectangular Wall Mirror

1

Hold the lower list against the wall, make sure it is leveled. Use the two holes to mark where to drill.

2

Drill the two holes and insert adequate wall plugs suited for you wall type.

3

Screw the lower list onto the wall.

4

Place both the mirror and the upper list loosely on the bottom list, remember to hold it in place to prevent it from falling. Slide the mirror to both sides to mark where to drill.

Repeat steps 2 and 3 for the upper list.

Lastly, slide the mirror glass into place.

Done!

Rectangular Wall Mirror

Made from a piece of mirror glass and two simple wooden lists, the Rectangular Wall Mirror has a minimalistic, yet warm, expression that elegantly serves it's purpose.

Thanks to the slot going all the way through the lists, the mirror can be mounted to the wall both as portrait and landscape format, all according to your personal preference.
